Web Site: no report, but is working fine.

Repeater: Bob, W1LBV, all sounding fine.

Health and Welfare: Carrol, \$204 in fund, Sent card to John.

Old Business: Had a very good time at Field Day, lots of QSOs, 20m phone worked very well, 160 QSOs on 40m CW. Bob had to make adjustment to his rig for was not getting reception as should have. Had lots of good help with set up, operations and tear down. Computer for logging worked well, although Ron had noise issue from computer on 40m.

Got 100 points for the ISS QSO, 100 points for natural power, 5 QSOs, 100 points for 10 messages, 100 points for message to North Florida ARRL Director,. Lots of food good chili and cobbler fixed the old fashen way, had 20m phone on Yagi, 40m phone on Loop and 40m CW on OCF dipole. 40m was open all of Field Day operations.

Hurricane activity discussion, did not hit Hernando much, had HF antenna at EOC, worked well, made contact with North Florida Emergency net.

Shelter operations with 20-30 people. HCECS supported the EOC and Shelter. HCECS could use some more volunteers.

New Business: none

Meeting adjourned: 2022 hrs.

Program: Ron demonstrated a multimeter with voltmeter on probe. Demo of VNA and Spectrum Analyzer.
